\* ABOUT US: O'Dea High School has put on this camp for 15 years. Each year the camp has grown in numbers. We keep our numbers low to ensure quality interaction between staff and camper. We've been told repeatedly by parents and campers that our camp is the hardest working and best they have ever attended.

\* OBJECTIVES: Improve individual fundamental skills of ball handling, shooting, one-on-one moves, and footwork. Introduce team skills, such as: screening & moving without the ball, and passing to open man. To teach life skills and academics as a means to inspire, educate and guide children towards their potential as student-athletes and as people.
