CREATIVITY & FUNDAMENTALS

O'Dea High School would like to invite you to the 3rd Annual O'Dea Fighting Irish Jazz Camp. We are excited to be offering this camp for another year! This camp helps prepare students for high school music programs by giving them expert instruction on fundamentals and improvisation. For many students, this is a first experience playing jazz, and it is our privilege to hear a student's first attempts at improvisation. Both boys and girls are welcome at this camp, so come on out and have a blast playing great music and making new friends!

CAMP INSTRUCTORS

- Current O'Dea Music Instructors
- Current O'Dea/HNA Music Students
- Former O'Dea /HNA Music Students

CAMP OBJECTIVES

Teach/reinforce fundamental skills: tone production, tuning, scales, articulation, general musicality, instrument care/preparation, and practice techniques.

Improvisation/Jazz style: Students will also work on basic improvisational skills and jazz style. More advanced students will receive more in depth instruction in improvisation and jazz style.
