Welcome, Fighting Irish Fans!

Your presence here says something very special about you – you care about O’Dea High School. You care about our mission, our culture of rich traditions, and most importantly, our students. Thank you! Our school community would not be what it is today without the dedication and enthusiasm of our loyal supporters and fans.

O’Dea is an exceptional community committed to providing our students with a remarkable education and developing them to be young men of character, faith, and service. Our long-standing tradition of winning with honor and the unparalleled bonds of brotherhood formed both in and out of the classroom make the O’Dea experience unique, and sets us apart from other schools in the area. At O’Dea High School, it really is a Brotherhood for Life.

I am excited about the 2017 Spring Sports Season. I recognize the countless hours our young men, their families, and the coaches, have dedicated to honoring and advancing O’Dea’s proud tradition of athletic excellence. O’Dea’s student-athletes work hard to achieve their goals. Their commitment, discipline, and sportsmanship are admired.

It is a privilege to serve as the Principal of O’Dea High School. Thank you for the role you play in advancing O’Dea’s most worthy of missions and for your continued support of O’Dea’s outstanding young men.

OUR MISSION

O'Dea is a Catholic high school whose mission is to educate young men and prepare them to be men of character, faith, and service.

OUR PHILOSOPHY

O'Dea High School provides young men with a Catholic, college-preparatory education. In the spirit and tradition of the Essential Elements of an Edmund Rice Christian Brother Education, O'Dea's diverse, single-gender learning environment lays a rich foundation for the academic and social development of our students.

THE O'DEA EXPERIENCE

Catholic education -

O'Dea High School is committed to developing our students into young men of character, faith, and service. Theology coursework, liturgies, retreats, community service, campus ministry, and character development are integral components of O'Dea's faith-filled education.

College Preparatory Academics -

O'Dea High School is the only all-male Catholic college-preparatory high school in the Pacific Northwest. As a Gurian Model School, our faculty employs an approach to teaching tailored specifically to boys' learning styles. Through Advanced Placement, Honors, College in the High School, and college-prep courses, O'Dea prepares each student to succeed at a post-secondary institution of their choice.

Diversity -

Diversity has been a signature strength of O'Dea's student body since the school was founded in 1923. Our student body reflects the cultural, ethnic, and socio-economic diversity that exists in the greater Seattle region. This diversity is a fundamental part of our community.

Brotherhood -

The O'Dea experience fosters unparalleled bonds of brotherhood among students. Our unique, all-male student body enriches these bonds through shared experiences, including participation in the House System, a program dedicated to developing leadership skills and connecting students with each other, their school, and the community. These bonds last well beyond graduation, spanning decades, lifetimes, and generations.

Tradition of winning, with honor -

Athletic success is a longstanding tradition at O'Dea. With this tradition comes the responsibility to compete, with honor. Success is achieved with hard work and discipline, and is celebrated with sportsmanship and a selfless focus on the team. O'Dea athletes constantly strive to represent the school and community with pride and dignity.

Urban Campus -

O'Dea's urban campus elevates the traditional high school experience through our location in a vibrant intersection of city life. O'Dea is located across the street from St. James Cathedral, between premiere medical facilities, art museums, and college campuses. Our students are exposed to stimulating inner-city experiences that enrich their education.

A MESSAGE FROM THE HEAD COACH

2017 marks the 4th season of the O'Dea Lacrosse program. The Irish will be looking to improve on our 2016 campaign with an aggressive, up-beat, transition style of play, with an emphasis on increasing the number of shot attempts on goal. For the boys to achieve our goals this season, they must focus on hard work and preparation. In addition, our core values need to be present in a consistent manner:

- Team first attitude with a respect for all teammates
- A consistent growth mindset both in practice and games
- Genuine effort to always be the best you are capable of becoming

The Metro league continues to get tougher each season and this year is no exception. Our expectations are high and if the Irish can stay focused on our team culture, we will have another successful season.

V

Drew Snider // VARSITY HEAD COACH

Head Coach Drew Snider started the O'Dea High School Lacrosse Program in 2014. During the inaugural season Coach Snider lead the Irish to a 5-9 record in Div. II with zero seniors and only five juniors. In 2015 Coach Snider and the Irish moved up to Div. I and finished with a winning record of 8-6 just missing the playoffs. In 2016, Snider led the Irish to their first D1 playoff and ultimately losing in the Elite-8. Drew graduated from O'Dea in 2006 as a two-time All-American and went on to play at the University of Maryland. At Maryland Snider lead his team to two NCAA Div. I National Championship appearances being crowned captain his senior season. After Maryland, Snider was drafted by Major League Lacrosse's Denver Outlaws and won a world championship in 2014. Snider was named captain of the team in 2016, and he led them

to their second MLL Championship that same year. Drew also practiced with the Washington Stealth in the National Lacrosse League in 2013. On an international level Snider was selected to team USA's 30-man roster for the 2014 world games (every 4 years) just missing the 23-man roster. In 2015 Snider was selected to team USA in the World Indoor Lacrosse Championships (every 4 years) winning the bronze medal. Drew is also an assistant coach at University of Washington and has recently founded a youth lacrosse organization called CitySideLax. Drew grew up in Queen Anne and currently lives in Capitol Hill. He spends his free time with his parents Jacqueline and Kris Snider, his sister Catherine, and brother Will.

“Our expectations are high and if the Irish can stay focused on our team culture, we will have another successful season.”

A MESSAGE FROM THE HEAD COACH

This year's Irish Track and Field Team returns a wonderful group of senior leaders that have spent the past three seasons learning, working, growing, and developing into men of great character. They have honed their skills and shaped their bodies to meet the challenges of their final season of competition at the high school level. This group includes 2-time 400 meter State Champion Evan Mafilas and the state's 6th place finisher in the high jump, Peter Jones. Several other returning lettermen are expected to help the Irish challenge for a State Championship this year such as Quinton Lewis (300 hurdles), Montineze Johnson (TJ), Isaac Mohn (800, 1600), Andrew Hogan (1600, 3200), Sean Lewis (800), Ollie DePina (PV), Milo Malkoski (PV), Miles Taliaferro (TJ), Thomas Stowers (LJ), Davion Dixon (SP), and Griffin Korican (SP). These gentlemen will set the tone at practice for a talent-rich team that includes many new faces.

“...a wonderful group of senior leaders that have spent the past three seasons learning, working, growing, and developing into men of great character.”

V Vince Butorac // VARSITY HEAD COACH

Vince Butorac has been O'Dea's Head Track & Field coach since 2015 after spending the previous six years as an assistant coach at O'Dea. In the two years that he has been the head coach the Irish have won one Metro League title, produced four individual state champions, placed in the top 8 in state in 9 other events, and finished both seasons in the top 8 at the state track meet. Coach Butorac has a total of 16 years of coaching experience (Kent and Mexico City) and ten years of experience as an athlete (Elma HS and Central Washington University). Over the course of his coaching career he has worked with throwers, sprinters, and hurdlers, but his area of expertise is coaching the jumps. 2017 O'DEA FIGHTING IRISH SPRING SPORTS

A MESSAGE FROM THE HEAD COACH

Welcome to another exciting season of Fighting Irish Tennis! This year we welcome a brand new format to the Metro League competitions. Our young men will be competing separately from the ladies of Holy Names Academy, including two singles matches and three doubles matches, with no mixed doubles. The winner of the dual match will be the team that wins at least three of the five matches.

Our 2017 squad has six returning varsity players: Adam Kures, John Misel, Cody Peterson, Joe Miner, Nathan Flack, and Louis Nguyen. These young men look to lead a talented team to another impressive season. It will be exciting to watch how the Fighting Irish squad stacks up against other competitive boys' teams in the Metro League. Go Irish!

“These young men look to lead a talented team to another impressive season.”

V **Todd Jordan** // VARSITY HEAD COACH

Todd Jordan is entering his second season as the Head Coach of the Fighting Irish Tennis Team. In his first season he led the young men to a 2nd place finish in the Metro League. When Todd is not at O'Dea he is coaching all levels of tennis at both the Proclub in Bellevue as well as the Tennis Center at SandPoint Country Club.

A MESSAGE FROM THE HEAD COACH

The O'Dea Soccer team is excited to build on the success of last season. Despite the graduation of 10 seniors from last year's division champions, the program returns 7 starters including Junior Captains Teddy Nickerson and Derivan Dockter, fellow Junior Banks Telkamp, and Seniors Jason Wong, Theo Roffey, and Johnny Swann. The varsity also welcomes many new faces including Freshmen Jack Telkamp and Charlie Hayward, along with the return of Senior CJ Rogers from injury. Our team has worked hard this offseason and is ready to challenge for a state title. The coaches are looking forward to building champions both on and off the field. Go Irish!

“Our team has worked hard this offseason and is ready to challenge for a state title.”

Kevin Fieser // VARSITY HEAD COACH

Coach Kevin Fieser has been the Head Coach at O'Dea High School since 2014 and is the youngest coach to have been voted Coach of the Year for the Metro League in the last 15 years. Coach Fieser graduated from O'Dea in 2004 as a four-year letter-winner and 4-time all-league selection. He finished his career in the top 5 in assists and was twice voted team MVP and Most Inspirational Player. In his ten years coaching, Fieser's teams have won 4 division titles and he has led his team to the playoffs in 12 out of the past 13 seasons.

When he is not coaching, Kevin directs and supervises the overnight camps for current Seattle University soccer coach Peter Fewing. He is also studying Math and Engineering, works as a supervisor at a local retailer, and enjoys supporting the Sounders, hiking, and spending time with his fiancé, Gina.
