### Scholarship Opportunity

The aim is to encourage young men at O'Dea to rise to their potential, grow as leaders and exemplify service to others. Please click [here](#) to view the award application and consider whether your son should apply. **Applications are due February 1, 2017.**

## Academics & Counseling

### Junior College Counseling Appointments

The February sign up for Juniors who have Dr. Eulberg as their counselor is now available. This will be the last month for sign ups using this process so please sign up ASAP. The sign up is done online through [Sign Up Genius](#). Students should come to the meeting with any questions they have and a list of colleges that they are interested in. Additionally, students should spend some time reviewing The Road to College Admissions Part I. If schedules permit, parents are encouraged to attend these meetings also.

If Mr. Kight is your son's counselor, he will contact your son directly and make arrangements for a meeting.

Please do not hesitate to contact [Dr. Eulberg](#) or [Mr. Kight](#) with any questions. We look forward to meeting with you as your son begins this exciting journey.

### National Honors Society Assembly

We will hold our National Honors Society (NHS) assembly on February 15<sup>th</sup>, 2017 from 10:10am-11:10am. At this assembly we give public recognition to those students who have met certain standards of academic excellence in the first semester. This also offers encouragement to all of our students to always do their best in their academic pursuits. We would like to extend an invitation to all of our families to attend this very special event. Your presence can show your support for academic excellence at O'Dea High School, and helps to communicate to our boys how highly we value learning. Thank you in advance for taking the time to consider attending.
