Canned Food Drive

The canned food drive starts on November 8th and runs until November 23rd. We are collecting food for Northwest Harvest; they are excited to have O'Dea on board again this year. The drive is a competition between houses. We will weigh each box of canned food and the house with the most weight wins! Click [here](#) to see what Northwest Harvest is asking for this year.

Tutorial Video for Logging Service Hours

A new video tutorial (below) is now available for X2Vol on the [O'Dea website](#). If you are uncertain about how to log in and log your service hours, please refer to this as it will walk you through the process step by step. We are working for clarity and ease of use in our service program. Thanks for your attention to service requirements.
