Class of 2018 - Senior Tuxedo Yearbook Photos

The Class of 2018 will soon be receiving a mailing from Dorian Studios with pre-scheduled appointment times to have your son's Senior tuxedo yearbook photo taken. The pre-selected dates are June 20th, 21st and 22nd. If the time that Dorian has chosen does not work for you, please call them directly to reschedule at 206.368.7770.

Photos are taken at Dorian Studios: 11712 15th Ave NE Suite B, Shoreline 98155. Students should arrive wearing a clean, plain white t-shirt as an undershirt and be clean shaven with a clean hair cut. Please, no earrings or jewelry. The cost for the photo is \$40 and the tuxedo is provided by the photographers. Dorian Studios also takes senior portraits, so if you would like to add an outfit with additional poses you can do so for just \$5 more per outfit.

Book Fee Payment

In order to cover the cost of e-textbooks and other e-resources for the coming school year, we are assessing families a \$200 Book Fee per student. O'Dea will be responsible for ordering and electronically delivering virtually all resources needed for your son's classes. With the exception of novels or class workbooks, you will not need to shop for your son's books this year. Please be aware these textbooks are leased so you will not own them and they will not be accessible to your son after the school year is over. However, this cost represents a significant savings to you.

The Book Fee is due August 1, 2017. You are welcome to pay by cash or check prior to that date, otherwise we will withdraw the fee from your bank account of record on August 1. Please email [Laura Weinand](#) with any questions about this payment. Please email [David Olinger](#) with questions about e-resources. Thank you!

2016-2017 Yearbooks

Yearbooks for the 2016-2017 school year will be distributed to returning students when school resumes in August. The graduating Class of 2017 will receive their yearbooks in the mail. Please direct any questions to [Taylor Thornton](#). Thank you!

Faith & Service

Important Change to Service Program

In the 2017-2018 school year, we will be making an important change to the service program. Each student must complete 25 hours of service per Academic year. Students will have from the first day of summer until May 1st of the following year to complete these hours. This change is an effort to keep our students accountable each year, and to turn the focus from total number of hours, to building a habit of service. We strive to help build young men of character, and regular service is an important part of that goal.

We appreciate your patience in this period of transition. To help things transfer smoothly, and to avoid confusion, all students, including the Class of 2018, will be required to complete 25 hours next year between June 9, 2017 and May 1, 2018 regardless of how many hours they have completed prior. Students are free to go over the allotted 25 hours to gain house points, but they may not work ahead to complete the next year's requirement.

Incoming freshmen can begin tracking service hours once they receive their service orientation in September. At that time we will provide the freshmen with training for how to track their service hours electronically, and students will receive instruction regarding acceptable service opportunities and how to find them.
