## Main Office

### PowerSchool Closure

While teachers are entering quarter semester II grades and they are being verified in PowerSchool, there will be a "quiet period" where we will be closing access to PowerSchool. Access will be closed from 2:25pm on Thursday, June 1st, until 8:00am on Tuesday, June 12th. Thank you for your patience!

### Outstanding Financial Obligations and Athletic Uniforms

Please be aware that if you have outstanding financial obligations or athletic uniforms that have not been turned in, your son will not receive their report card or transcript. As a reminder, our tuition policy states that all financial obligations need to be satisfied by June 30th in order to be enrolled for the following school year. If you have questions about your account please contact [Christine Naranjo-Clarke](#) and if you have questions about your son's athletic uniform please contact [Monte Kohler](#). Please help us by taking care of any outstanding items as soon as you can!

### Accounting Manager Needed!

Christine Naranjo-Clarke will be leaving O'Dea in early July so we are looking for a full time Accounting Manager beginning this summer. The ideal candidate will have a strong accounting background, be able to work well with many people, and multi-task. The full job description and hiring instructions can be found [here](#). Please share this position with anyone you know who may be qualified!

## Academics & Counseling

### Congratulations Dr. Jeanne Eulberg!

Congratulations to our very own, Dr. Jeanne Eulberg, who was awarded the **Sister Shawn Marie Barry Distinguished Service to Youth Award** at the annual PNACAC (Pacific Northwest Association for College Admission Counseling) Conference in Boise. Dr. Eulberg received this award in front of roughly 350 college counseling/admission colleagues from all over the country.

This award is named for the St. Mary's Academy of Portland's former college counselor who lost her battle with cancer in 1995. Recipients of the award must have a minimum of ten years of high school or college teaching and/or counseling experience with at least three years in their current position. They must be currently engaged in counseling and be recognized as "those who have given outstanding and faithful service to youth."

The O'Dea community is grateful for all of Dr. Eulberg's hard work and helping prepare our young men for college and beyond!

### Surface Tablet Discounts

Our dedicated Surface vendor, SHI, is offering a free O'Dea branded skin for the first 100 O'Dea families to purchase a Microsoft Surface from their site before the end of June.
