## MESSAGE FROM THE PRINCIPAL

Dear Friends of O'Dea,

Thank you for taking the time to read the first edition of O'Dea's new publication, the Irish Review. I continue to be inspired by the dedication to advance O'Dea's mission of educating young men committed to living their lives by the principles of character, faith, and service. Our many accomplishments are grounded in the Essential Elements of an Edmund Rice Christian Brother Education, as well as in the valuable contributions of staff, volunteers, parents, alumni, and benefactors. After reading this publication, I am confident you will continue to appreciate our proud legacy as we celebrate last year's many achievements.

In the broad spectrum of high schools, O'Dea remains unique and significant. Not just as the only all-male Catholic college-preparatory high school in the Pacific Northwest, but in every aspect of our students' experiences. We educate our students to be men of character and to celebrate our diversity in ways that enlighten and inform. We inspire a thirst for knowledge, a resolve to win with honor, and to cultivate and nourish a faith in God. An important characteristic of the O'Dea experience continues to be the concept of Brotherhood. For nearly a century, Brotherhood is formed in our classrooms, on our athletic fields, and in our campus ministry. It does not start with an application, nor does it end with graduation. It is truly a Brotherhood for Life.

We accomplish a great good at O'Dea, but it is only possible with the support of those who share our values and hopes for the future. Thank you for your partnership in realizing our mission and for your faithful assistance to our students and school as we strive to pursue excellence in all endeavors.

Go Irish!

# DONORS

## MAKING A DIFFERENCE

It was a summer unlike any other at O'Dea High School. In just two months, six classrooms were stripped down to the studs and just as quickly rebuilt to perfection, all in an effort to enhance the environment we are committed to providing the young men at O'Dea. Classrooms were redesigned specifically to nurture young men and help them reach their fullest potential as individual learners.

### MIKE PATTERSON

These classrooms were made possible because of generous donors like Mike Patterson. His \$150,000 gift was offered as a match to inspire others in the O'Dea community to help make the classroom project possible. Current parents, past parents, and alumni responded with enthusiasm ensuring we could create the best learning environment possible for our students.

As a past parent of two O'Dea graduates, Kristian '01 and Kristopher '05, Mike understands firsthand the impact that O'Dea High School has had on developing the character, strength, and resolve of his boys. Kristian and Kristopher attended O'Dea because Mike wanted them to be academically and ethically challenged. Along the way they learned from the loyalty and sincerity of the faculty and staff, developed from boys to gentlemen, and

experienced the longstanding traditions of O'Dea that will never be forgotten.

Mike continues to support O'Dea because of his sons' past experience and because he knows our students will go out and make a difference in the world. When he learned about the classroom project he recognized it would reinforce the importance of academics at our school and add significantly to our students' education. While the classrooms have some traditional desks and chairs, additional seating options allow students to sit on taller chairs or stand, enabling them to have choices that best suit their individual learning styles. State of the art technology and whiteboards throughout the classroom enable our students to work together or in small groups. All of this contributes to an enriched classroom experience for faculty and students alike.

Mike believes in the importance of giving back to the community and encouraging others to do the same. His generosity makes a profound impact on the education that the young men at O'Dea will receive today, and for years to come. We are honored to have Mike Patterson as a proud O'Dea supporter and extend our deepest and sincerest gratitude for helping us make a difference in the lives of all those we serve.

### ROY F. SIMPERMAN

During his 30 plus year involvement at O'Dea High School, Roy F. Simperman has fulfilled a variety of roles. Whether serving as Board Chair, creating and serving on the major gifts committee, or volunteering on a fulltime basis as the Business Manager, Roy has been integral to moving O'Dea forward in countless ways. He cares deeply for our school and the students we educate, and has continued to share his time, expertise, and financial resources since his son, Roy '88, was a student. These gifts have all helped make O'Dea the school it is today.

Roy has always had a profound interest in technology and STEM and believes they are vitally important to a young person's education. With the appropriate tools, Roy feels new opportunities present themselves to our students and ultimately help them reach their potential. As such, he has supported technology in several schools that are close to his heart.

When Roy heard about our prospective new classrooms he immediately offered to donate \$150,000 to ensure students at O'Dea had access to state-of-the-art technology. This technology is on the forefront of what is available in any classroom setting. With three panels

and a system to integrate them all, we are enhancing student engagement and learning in the classroom. Students and faculty are able to collaborate and connect in new ways through sharing, group work and access to a wide range of resources. By integrating Surface devices, the panels become digital whiteboards which allow for additional opportunities related to presentations, communication and shared learning. These capabilities will help us foster digital citizenship with our students and will ultimately help prepare them for success in college and their future careers.

While Roy is committed to enhancing technology at O'Dea, he is also inspired by our mission. This inspiration is rooted in his own education at a Christian Brothers school in Montana and has grown throughout his involvement at O'Dea. Roy recognizes our diverse socio-economic student body is an important aspect of the O'Dea experience and wants to help all of our students have the best chance at success. As such, Roy also supports our families by donating to an emergency assistance fund, which has enabled us to better support families in financial crisis.

We are extremely fortunate to have a partner like Roy who cares so deeply about our students and their futures. He truly believes in the power of helping others and recognizes that he can make a difference in their lives.

# FAITH & SERVICE

## MASS FOR DECEASED HOMELESS

Members of the O'Dea community joined other Catholic schools, and people from the Seattle area, to celebrate mass at St. James Cathedral honoring homeless men and women that have passed away in Seattle over the last year. This year, there were over 50 O'Dea students in attendance. During the mass, 92 bells were rung, one for each person who died. Also present at the event were Archbishop Sartain and Mayor Ed Murray. This was a really great opportunity for O'Dea students to show their commitment to service and to show that they care about the issues that are prevalent in the community.

## THE RITE OF CHRISTIAN INITIATION OF ADULTS (RCIA)

For the second year in a row, students who would like to become Catholic had the opportunity to participate in the RCIA program through St. James Cathedral. Initiates took classes and were then welcomed into the Church. This year, the O'Dea Community was pleased to welcome three new members to the Catholic Church: Dakota Cruz '17, Brandon Duffy '18, and Jack Markowitz '18. These young men spent nearly two years in preparing themselves both in knowledge and in the Spirit to reach this moment. What a great witness they have been to the O'Dea Community and the Church.

## ENCOUNTER RETREATS

The Encounter Retreats were a huge success with some phenomenal senior leaders who set the tone for the

retreat with their engaging talks and willingness to share. Through group talks, game time, good food, and multiple opportunities to partake in the sacraments, the feeling of brotherhood grew and students and adults alike bonded in friendship. Encounter is truly the spirit of the O'Dea Brotherhood.

## BEARDS FOR BROS- "FIGHTING IRISH, FIGHTING CANCER"

For the second year in a row, the young men at O'Dea put on the Beards for Bros Fundraiser. The purpose of Beards for Bros is to raise awareness about cancer in the school community. The main way for students to participate was to become an official "beard grower". This year, the goal of \$10,000 was surpassed and all of the money raised went to support the Seattle Children's Adolescent and Young Adult Cancer Program.

## CHRISTMAS FAMILY PROJECT

Each year O'Dea participates in Providence Regina House's Adopt-a-Family program. This year was no different as our community came together to wrap and deliver Christmas cheer to 12 families in need. The energy in the school was humbling, warm and authentic! One student reflected: "When we arrived into the old apartment building an adorable 4 year old girl let us into their very sparse apartment with a small table top tree and a manger scene. We started piling all the gifts around the tree while the family sat on the couch and beamed. The Mom was so overjoyed, she got very teary-eyed and

hugged us multiple times. As we left she said, "Navidad es salud, trabajo, viento todos de la familia". We later learned that meant, "Christmas is about health, work and bringing together the whole family."

## DINNER WITH THE HOMELESS

Each year St. Anne's Parish and School host the annual Dinner with the Homeless. Although the event is hosted by St. Anne's, O'Dea has had an integral and unique opportunity to participate since the dinner moved from the homeless shelters in the late 1980s. Through the leadership of legendary O'Dea Soccer Coach and St. Anne's parishioner, Pat Raney, O'Dea began providing the homeless with transportation from various shelters up to St. Anne's for dinner, music and gifts. Using the recognizable maroon and gold buses, O'Dea has been able to help serve a population that needs to be shown compassion. It's a service we are grateful to provide and hope to continue for years to come.

## TOILET PAPER DRIVE

This February, O'Dea and Holy Names joined forces and collected over 2,500 rolls of toilet paper to benefit Jubilee Women's Center (JWC). Jubilee Women's Center is an organization that promotes the infinite worth and dignity of women who have been victims of domestic violence, homelessness, and poverty. The representatives at JWC were so grateful for the donation and impressed by the collaborative efforts. Not only did the Toilet Paper Drive broaden our community relations, it strengthened our

relationship with Holy Names and benefited marginalized women in our community.

## O'DEA & HOLY NAMES HELP EARTHCORPS

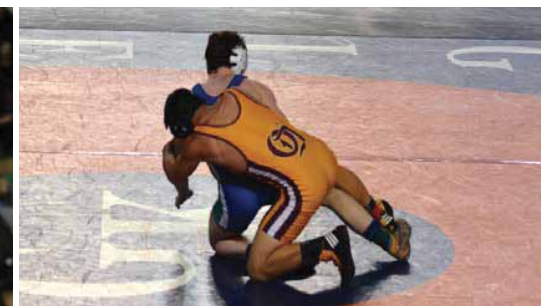

O'Dea and HNA partnered with EarthCorps to improve the Woodland Park forest. Student volunteers planted native species and spread mulch to prevent weed growth. In reflecting on their hard work, students expressed the joy they felt from cleaning up the environment, making it better for the future, and seeing their work pay off immediately.

## RELAX FOR A CAUSE

On the first Friday of each month, O'Dea permits students to "Relax for a Cause". Student leaders identify important issues and execute an all-school outreach for that cause. Students who participate in the outreach are permitted to break school dress code for that day. In the 2015-16 school year O'Dea students delivered collected goods and cash donations to Northwest Harvest, Jubilee Women's Shelter, The Red Cross, St. James' Youth Migrant Project, Mana Books, Orion Center Youth Care, and Providence Regina House.

# A TRADITION OF WINNING, WITH HONOR

Congratulations Fighting Irish on taking home the 2015–2016 Metro League All Sports Trophy! That's 28 out of the last 29 years! GO IRISH!

## FALL SPORTS

### FOOTBALL

Congrats to head coach Monte Kohler and the Fighting Irish football team on a hard fought season. Their 2015 campaign ended with a 7–3 record following a season ending loss to a competitive Lakes High School. We commend our student-athletes for their efforts; the fine young men that made up the 2015 Fighting Irish team are special people with great character. One of the challenges faced by the 2015 team was its youth. We feel very confident that the growth pains will lead to dominant success in the years to come.

### CROSS COUNTRY

The 2015 Fighting Irish Cross Country team had an impressive championship season led by head coach David Bazzi '96. Sophomore Isaac Mohn led the Irish with his 8th

place finish at Metros, followed by senior captain Henry Newstrom's 13th place finish. O'Dea placed 9th overall in the District Championships, and both Isaac Mohn and Henry Newstrom individually qualified for the State Championships.

### GOLF

The Irish Golf team had a very successful season under head coach Brian Vaughan. Representing O'Dea at the Metro tournament were three seniors, Jack Fox, Sam Edmonds and Noah Ewert, junior Isaiah Khan, sophomore Garrett Spragins, and freshman Jack Summers. Jack and Sam made it to Districts, with Sam advancing on to the State Championships. The team also included senior Daniel Henry, and sophomores Jake Murray and Stephen Scheer. We have a promising young squad of Irish golfers that should be strong contenders for years to come!

## WINTER SPORTS

### BASKETBALL

Congratulations to our Irish Hoopers for advancing to the 2016 3A Boys Championship Game and finishing the season with a 22–8 record and 2nd in State under the guidance of head coach Jason Kerr. With many returning players with State tournament experience, the future is looking bright for our young Irish Hoopers!

### WRESTLING

Congratulations to head coach Jeff Anderson and our Irish Wrestlers on an impressive season! These young men represented O'Dea High School well with 27 wrestlers competing in the Metro League Tournament, 7 of which advanced to the Metro League finals leading the Irish to a Metro League Championship. The Irish Wrestlers dominated the Region 2 Tournament scoring a phenomenal 289.5 points, 127 points in front of the

second place team. O'Dea qualified 14 wrestlers and 3 alternates for the Mat Classic State Tournament where they took on the best in the state. Sensational Senior (and first year wrestler) Julius McDade turned in a super effort and placed 6th overall!

### SWIM & DIVE

Junior Casey Benson had a strong showing in Diving winning him a 3rd place medal. Sam Regimbal, Justin, Joey Vacura, and Ollie Depina placed 8th in the Medley Relay and 6th in the 200 Free Relay. Great performances by all Fighting Irish swimmers and divers!

In only the third year of the program, the Irish finished with an overall record of 8-6, and a Metro conference record of 7-2. The Irish earned their first post-season playoff game and prevailed victorious over #2 Sehome. This win placed the Irish in the "elite eight" of Division 1, the toughest lacrosse program in the state; no other program has achieved this in only its third year of a program! The Irish ended their impressive season in the quarterfinals of state with a loss to #1 ranked Bellevue who went on to win another state championship.

Congratulations to Mark Hastings (defense), Cole Daninger (midfield), and Sam Dracoby (attack) on being named to First Team All Metro.

Senior Race Porter finished 8th in the hurdles and the 4 x 100 team made up of Logan and Landon Armstrong, Ben Johnson, and Evan Mafilas placed 5th. Logan also placed 7th in the 100, and Peter Jones took 6th in the high jump. Repeating as state champion in the 400 was Evan Mafilas with a personal best time of 48.45. Evan also took second in the 200.

### SOCCER

Congratulations to head coach Kevin Fieser '04 and the Irish Soccer team for finishing the season with an 11-3-2 record. The team finished 1st in the Sound Division with the best regular season record in Metro. The Irish had the stingiest defense in the league and the third most prolific offense league wide. Several players received postseason recognition with senior Sam Johnson being

selected to the Seattle Times Star Times team. Joining Sam on first team All-Sound Division were sophomores Teddy Nickerson (Goalkeeper), team MVP Derivan Dockter (defender), Banks Telkamp (forward) and junior John Swann (forward). Receiving second team recognition were seniors Brendan McGonigle (defender), Mac Earle (midfielder) and Adrian Andersen (forward). # THE ARTS

## FALL CONCERT SERIES

The O'Dea High School Choir blew the roof off the Frye Art Museum during their first concert of the season. The young men did an incredible job sharing their talents with a crowded audience. For a portion of the evening, the O'Dea gentlemen were joined by the talented and beautiful Holy Names Academy choir. Together the choirs were able to harmonize their voices and entertain a crowded and enthusiastic audience.

"Being in the Choir is something special," said Theo Cordero '16. "As a student at O'Dea, it's scary speaking in front of the student body, or even a class. But, when I sing, I can express myself and change peoples' perspectives about me. That's why I love to sing!"

## SPRING DRAMA—JACKIE & ME

The 2016 drama production, *Jackie & Me*, was a huge success. It told the story of Jackie Robinson (Zion Tay) through the eyes of a character named Joey Stoshack (Charlie Bruce). Both sophomores, Charlie and Zion, led a cast of twelve O'Dea and Holy Names Academy actors who tackled the issues of race with honesty, dignity, and

humor. All but one of the cast members had multiple roles, with senior Braden Coté handling seven different characters. Special mention goes out to senior Gabriel Richter-Hardaker who participated in drama in all four years of his time at O'Dea.

## FESTIVAL OF HIGH SCHOOL CHOIRS

The young men at O'Dea performed *The Sound of Silence* at the Festival of High School Choirs at Benaroya Hall. Over 800 student singers from nine different Catholic high schools participated in the festival.

## O'DEA HOLIDAY BROADCAST

The 2015 O'Dea Holiday Broadcast filled the Knights of Columbus Hall with holiday cheer. O'Dea's Jazz Band played such standards as *A Big Band Christmas*, *A Charlie Brown Christmas*, and *Auld Lang Syne*, led by Director of Music, Mr. Dan Ruiter. In addition, *The Abbott and Costello Christmas Radio Show of 1943* was performed by O'Dea and Holy Names Academy actors. The evening ended with carol singing and refreshments. It was a festive evening enjoyed by all in attendance!

# IN LOVING MEMORY...

We remember lovingly our O'Dea classmates and relatives who have passed on before us. While our loved ones may be gone their spirits live on. These individuals will forever be tied together with O'Dea High School.

Dear O'Dea Community,

As you have read through this publication I hope you are feeling as excited as we are about all that is taking place at O'Dea. We will always ensure our traditions and history remain at the core of our decisions but need to continually analyze and enhance how we educate our students and support our families to be certain we are the best we can be. In order to accomplish this we must be fiscally strong and use our resources in the most efficient way possible.

In 2016, 26% of our revenue resulted from the generosity of the O'Dea community. We are very fortunate to have such a committed and passionate group of supporters! From the gifts to our annual campaign, to the individuals who gave major gifts, to the overwhelming success of our POSH auction (which brought in a record breaking \$700,000!) you all helped ensure O'Dea can continue to move forward in a positive direction.

We are encouraged that enrollment is strong and our retention rates continue to improve. But with socio-economic diversity a key component of our mission we will always have a significant need for financial aid. 2016 saw aid grow to over \$1 million for the first time ever. We will need to raise more funds to meet this growing need so our students continue to benefit from our diversity.

We are thrilled to announce Roy F. Simperman, our very generous benefactor and long-time partner, has just pledged \$750,000 to O'Dea! This incredible gift will enable us to start making plans to renovate our 3rd floor classrooms in the summer of 2017. We will need to raise an additional \$750,000 to make this possible and are confident we will do that with the support of our community. We are so grateful to Roy for all he has done for O'Dea. This is just one more example of his passion for our school, students and teachers. It's an extraordinary gift from an extraordinary person.

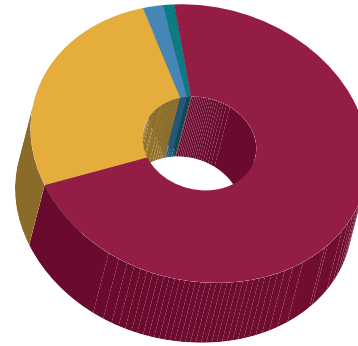

Thank you so much for your support of O'Dea. We appreciate your donations, volunteer engagement, and belief in our efforts to ensure that the longstanding traditions of an O'Dea education are available to our students today and into the future.
