O'DEA HEAD FOOTBALL COACH MONTE KOHLER

Welcome Fighting Irish Fans! O'Dea High School is pleased to announce the **Little Irish Program**, designed to match a young student (grades K-6) with a football player at O'Dea High School.

It is our hope that this program encourages the responsibility in our players to be positive role models not only for the **Little Irish** but for the entire O'Dea community, and that in turn, your child will flourish under the wings of a high school mentor, or "Big Brother". This special relationship can be a springboard for increased self-esteem in both young mentee and mentor, and can lead to a friendship well beyond the football field. Both our football players, and the **Little Irish**, will benefit tremendously when they have one another to turn to and support them in their endeavors.

We encourage you to sign-up your son/daughter to be part of the **Little Irish Program**. Support your child by bringing them to the football games held at West Seattle Stadium and other activities throughout the school year.

GO IRISH!
