

Attention Juniors & Seniors:

These visits are open to all juniors and seniors. They offer a great opportunity for students to meet with representatives from colleges that come here from all over the United States. You must sign up for these visits in Family Connection and then have the teacher for the class that you will miss, sign a permission form and return it to Dr. Eulberg. All of this must be done by the end of the school day, the day before the scheduled visit. The most up to date list of college visits is on Family Connection in the About College –Visits section. If you have any questions, see Dr. Eulberg
