## Main Office

### Washington State - School Safety Bill

The Washington State Catholic Conference has been working hard during this session of the Legislature to advance legislation, SB 6410, that would require first responders to notify all schools – public or private – of an emergency happening in the vicinity of a school that may require lock down or evacuation.

This bill, which passed the full Senate last week, is at a critical stage in the House Education Committee. **It must be voted on and approved before Friday, February 23, in order to remain alive.** The WSCC is asking us to contact the committee chairperson, [Rep. Sharon Tomiko Santos](#), and urge that a vote be held on SB 6410. Her phone number is (360) 786-7944. Click [HERE](#) to learn more about the bill.

### FACTS Tuition Management - Sign up for next year!
