All financial aid letters for the 2018-2019 school year have been mailed. If you have moved since your account was created and did not receive your letter, please go into your account and update your information. It's important your correct email address is also on file; the Financial Aid office has received a number of bounced back emails.

Please be sure to send in your signed financial aid contract back to Linda Thornton; your award is not final until this contract is received. Families must also upload your 2017 1040 taxes to your financial aid account by April 15th.
