Main Office

Athletic Participation Forms

As noted in the recent school mailing, we are shifting student medical records to an online database called Magnus Health SMR (Student Medical Record) or "Magnus". As this is a web-based system, you will have continuous access to your student's information stored there as well as the ability to make updates when needed.

Each student-athlete must complete these forms in order to participate in sports at O'Dea High School. With the fall athletic season quickly approaching, **all participation forms must be completed no later than August 1, 2018.**

You can access your Magnus account through your [PowerSchool Parent Portal](#). The application button is in the upper right tool bar and is titled "Magnus Health."

If you are have difficulty navigating the Magnus system or entering data online, please contact customer support at Magnus by phone at [877.461.6831](tel:877.461.6831) or email [HERE](#). All other questions may be directed to Director of Ed Tech, [David Olinger](#).

Thank you for your patience and for your participation as we launch this new program.

Important Change - Family Connection now Naviance Student

In early July families received a mailing including information on how to log into PowerSchool, Office 365 and Family Connection. **Please note that Family Connection has changed its name to Naviance Student.** The product itself has not changed. Naviance Student can be accessed on the top bar of the O'Dea website.

Academics & Counseling

Support for the Surface Program

A great way for students and families to be better acquainted with the Surface Program is by becoming familiar with OneNote, OneDrive and the Microsoft Office Suite. Our Director of Educational Technology, [David Olinger](#), is offering set-up support for student devices on August 6th, 7th and 8th between 8:30 AM and 4:00 PM in Room 301. Mr. Olinger is also providing parents and guardians training on our Surface Program on July 31st, August 7th and August 14th. These meetings will be in the O'Dea Library from 6:00 PM until 8:00 PM. Please read the weekly Family Bulletin for more details regarding technology training and support.

Summer Reading List

Please click [HERE](#) to view the summer reading list for all of next year's English courses. The required books for each course must be read before the beginning of the school year. If you have any questions regarding the books, or the list, please contact Assistant Principal of Academics, [Dr. Gregory Cox](#).

Faith & Service

Summer Service Opportunities

Get started on your service hours this summer!

Each academic year all students are required to log 25 service hours to be completed by May 1st. Service hours are a graduation requirement. Get started now by beginning to fulfill your service hours over the summer. **All incoming freshmen can begin as well; please keep track of all hours manually until school begins and you receive your service learning orientation.** Please note that hours over 25 do not roll over to the next year, but do count as points towards the House Cup.

Returning students with an existed X2vol account, remember to log your hours as you go. If you have a smartphone, download the X2vol App to make it even easier to keep track of your hours right from your phone. Can't remember how to log hours? Click [HERE](#) for the tutorial video. Password trouble? Email [Barbara Verzemnieks](mailto:Barbara.Verzemnieks) in the Main Office. Not sure what counts as service? Click [HERE](#).

Athletics

Fall Sports

Below are some important dates to remember for those student-athletes interested in playing sports this fall. Please note that each student-athlete must complete all participation forms in order to participate in sports at O'Dea High School. With the fall athletic season quickly approaching, **all participation forms must be completed no later than August 1, 2018.** You can access your Magnus account through your [PowerSchool Parent Portal](#). The application button is in the upper right tool bar and is titled "Magnus Health."

Football

- First Frosh Football Practice - August 15th @ 2:30pm (meet @ O'Dea)
