RESPONSIBILITY

THE O'DEA MISSION

O'Dea is a Catholic high school whose mission is to educate young men and prepare them to be men of character, faith and service.

OUR PHILOSOPHY

O'Dea High School provides young men with a Catholic, college-preparatory education. In the spirit and tradition of the Essential Elements of an Edmund Rice Christian Brother Education, O'Dea's diverse, single-gender learning environment lays a rich foundation for the academic and social development of our students.

ALL BOYS

O'Dea High School, the only all-male Catholic college preparatory high school in the Pacific Northwest, is a unique and special place for young men. Our educators intentionally use teaching practices designed to support the way young men learn. Through Advanced Placement, Honors, College in the High School, and college prep courses, O'Dea prepares each student to succeed at a post-secondary institution of their choice. We combine the best traditional teaching practices with movement and competition in the classroom to engage our learners. These teaching strategies, along with newly designed classrooms with innovative educational technology, and the House System, provide our young men with an exceptional education and unparalleled bonds of Brotherhood that will last a lifetime.

THE O'DEA EXPERIENCE

CATHOLIC EDUCATION

O'Dea High School is committed to developing our students into young men of character, faith, and service. Theology coursework, liturgies, retreats, community service, campus ministry and character development are integral components of O'Dea's faith-filled education.

COLLEGE PREPARATORY ACADEMICS

O'Dea High School is the only all-male Catholic college-preparatory high school in the Pacific Northwest. As an all-boys school, our faculty employs an approach to teaching tailored specifically to the way young men learn. Through Advanced Placement, Honors, College in the High School, and college-prep courses, O'Dea prepares each student to succeed at a post-secondary institution of their choice.

DIVERSITY

Diversity has been a signature strength of O'Dea's student body since the school was founded in 1923. Our student body reflects the cultural, ethnic and socio-economic diversity that exists in the greater Seattle region. This diversity is a fundamental part of our community.

BROTHERHOOD

The O'Dea experience fosters unparalleled bonds of brotherhood among students. Our unique all-male student body enriches these bonds through shared experiences, including participation in the House System, a program dedicated to developing leadership skills and connecting students with each other, their school and the community. These bonds last well beyond graduation, spanning decades, lifetimes, and generations.

TRADITION OF WINNING, WITH HONOR

Athletic success is a longstanding tradition at O'Dea. With this tradition comes the responsibility to compete, with honor. Success is achieved with hard work and discipline, and is celebrated with sportsmanship and a selfless focus on the team. O'Dea athletes constantly strive to represent the school and community with pride and dignity.

URBAN CAMPUS

O'Dea's urban campus elevates the traditional high school experience through our location in a vibrant intersection of city life. O'Dea is located across the street from St. James Cathedral, between premier medical facilities, art museums, and college campuses. Our students are exposed to stimulating inner-city experiences that enrich their education.

Jamelle McMillan '07
Assistant Coach, Phoenix Suns, NBA
Arizona State University

"O'Dea provides a community built rich in spirit, bound to service, and lifelong brotherhood. It gave me tremendous discipline, developed me with professional character, and fueled a motivation to celebrate in the success of others more than that of myself. This has been the foundation of my coaching career and has provided me with amazing opportunities."

HOUSE SYSTEM

O'Dea offers a multitude of opportunities for authentic student leadership and personal/social development.

THE HOUSE OBJECTIVE

At the core of O'Dea's culture is the House System, dedicated to developing leadership skills and connecting students with each other, their school, and the community. O'Dea's motto "Four Houses, One Brotherhood" refers to each student's membership within one of four Houses; these Houses come together to form one O'Dea Brotherhood. Upon entering O'Dea High School, students are placed with a Mentor Teacher from the Faculty/Staff. These groups meet each morning and are together throughout their four years, encouraging interpersonal relationships amongst peers from every grade level and their dedicated Mentor Teacher. The academic, emotional,

and social support throughout the House System provides students with the necessary tools to become young men of character, faith, and service.

STUDENT LEADERSHIP

The House System at O'Dea offers a multitude of opportunities for authentic student leadership. Students from every grade level fill the 50 leadership positions that support the House, including School Captains, Mentor Group Captains, and School Chaplains. Together, these students collaborate with their House Dean, House Director, and Mentor Teacher to engage the student body in social, spiritual, and competitive events.

IRISH CUP

O'Dea's Irish Cup is awarded each year to the House that demonstrates excellence in five areas: Academics, Service, Spirit, Citizenship, and House Games. The goal of the Irish Cup is to promote healthy competition that encourages academic success, boosts spirit, and enhances school pride.

"THE HOUSE SYSTEM BRINGS CONNECTEDNESS AND UNITY WITHIN ALL GRADES AT O'DEA HIGH SCHOOL."

"O'Dea was a great educational and personal experience. The curriculum prepared me well for college, helping ease the transition to university level courses. O'Dea not only exposed me to what would ultimately become my career through the community service program, it also introduced me to great friends that continue to be part of my life."

Casey Moriarty '01 Attorney

"O'Dea High School challenges the students who walk its halls to be men for others. In this way, the faculty and staff at O'Dea teach more than academic subjects, but rather instill the spirit of service and Christian brotherhood into its graduates. I am so thankful for everything that I have learned at this great school."

MATTEO RICCI PROGRAM

O'Dea has a partnership with Seattle University to offer college-level courses to our students. We have two courses through the Matteo Ricci College at Seattle University: Poverty in America Honors and English 12 Honors. These courses are taught on our campus by our faculty who receive curriculum guidance and support from the faculty at Seattle University.

O'DEA NAMED SEATTLE'S FIRST MICROSOFT SHOWCASE SCHOOL

We are excited to announce O'Dea was selected as the first Microsoft Showcase School in Seattle! This recognition celebrates our efforts and innovation in using technology to educate our students. It's also a great testament to our faculty and staff's dedication to continue to enhance our learning environment.

O'Dea High School is now one of only forty schools across

the United States who have joined a worldwide community actively helping to transform education globally. In the first year of O'Dea's Surface Program we hosted school leaders from around the globe including Ireland, Japan, and the Caribbean. Together we have the opportunity to grow best practices and actively empower the students of today to create the world of tomorrow.

"I am very proud to be a product of O'Dea. O'Dea helped make me the man I am today. Many of my closest friends are O'Dea classmates. I benefit every day from being a part of the larger O'Dea community, and it is very important to me to continue to be involved with O'Dea."

Patrick Lagreid '96 Public Address Announcer, Phoenix Mercury, WNBA

University of San Francisco

"O'Dea is as much a pillar of my foundation as any aspect of my life. My time there taught me not just academics and life skills, but provided opportunities and the confidence that has led me to where I am today. There are few things in my life that I can't attribute to my experience at O'Dea, and for that I am forever indebted and grateful."

FAITH & SERVICE

O'Dea is committed to developing our students into young men of character, faith, and service.

At O'Dea we believe that Faith and Service are inextricably related. We cultivate the Faith of our students through academics and the efforts of the Campus Ministry team so that we might foster a love for God that hungers to be expressed in works of service. Our service learning opportunities open the minds and hearts of our students and enable them to put their faith into action in a meaningful way.

CHRISTIAN SERVICE LEARNING

The objective of the Christian Service Learning at O'Dea High School is to connect classroom curriculum with community issues and needs. Through preparation, service, and reflection, we inspire our students to feel a sense of responsibility and compassion for those who are vulnerable, and put our faith into action.

LITURGIES

The celebration of liturgy is a special way in which our community connects with God. Students can get actively involved in liturgies through the Campus Ministry program. Students serve as Altar Servers, Eucharistic Ministers of Holy Communion, and Lectors. Liturgies take place in St. James Cathedral or the O'Dea High School Gymnasium.
