WELCOME O'DEA FIGHTING IRISH FANS TO THE 2018-19 BASKETBALL SEASON

Welcome, Fighting Irish Fans!

I would like to thank the parents, alumni, fans, and sponsors for what I know will be an exceptional Winter athletic season. The O'Dea community is grateful for your continued support of the athletic program and the mission-driven principles of Character, Faith, and Service that we strive to develop in the young men who proudly call themselves the O'Dea Fighting Irish. For nearly a century the O'Dea experience has formed bonds of brotherhood cultivated in classrooms, on athletic fields, and in our many campus ministry programs. This brotherhood is central to the O'Dea experience and lasts well beyond graduation, spanning lifetimes and generations of O'Dea graduates.

We are proud of the hard work and commitment displayed by each student-athlete participating on our Basketball, Swim and Dive, and Wrestling programs. Under the exceptional guidance of dedicated coaching staffs, this season promises to generate a high level of excitement and sportsmanship associated with O'Dea's longstanding tradition of winning, with honor. May each competition exemplify the pursuit of excellence through hard work and discipline as we celebrate with sportsmanship and a selfless focus on the team.

I am excited about the Winter sports season and appreciate the countless hours of dedication from our young men, their families, and the coaches. O'Dea's student-athletes work hard to achieve their goals. Their commitment, discipline, and sportsmanship are admired on the court, the mat, and in the pool.

Thank you for the role you play in supporting our athletic program and for helping advance our shared mission of providing each student with a Catholic, college-preparatory education in the spirit and tradition of the Essential Elements of an Edmund Rice Christian Brother Education.

2018-19 SEASON PREVIEW

Welcome to the 2018-2019 Fighting Irish basketball season! Our young men have been working hard this off-season and the coaching staff is incredibly proud and excited to watch our student-athletes compete at a high level every day.

The O'Dea High School Basketball Program proudly embodies the tradition of winning, with honor, and is guided by the core values of Brotherhood, Discipline, and Toughness. Through teamwork, our players learn the meaning of brotherhood by putting their teammates first and playing for each other. Our players discover the value of discipline by executing a plan and realizing the success that comes from doing things the right way. Finally, our players learn how to positively handle adversity and have the mental toughness to make the right decisions both on and off the court.

We will continue to strive to be a top-notch basketball program; the boys will work hard both in the classroom and on the court. We thank you for your continued support. Go Irish!

MISSION STATEMENT

O'Dea is a Catholic high school whose mission is to educate young men and prepare them to be men of character, faith, and service.

PHILOSOPHY

O'Dea High School provides young men with a Catholic, college-preparatory education. In the spirit and tradition of the Essential Elements of an Edmund Rice Christian Brother Education, O'Dea's diverse, single-gender learning environment lays a rich foundation for the academic and social development of our students.

THE O'DEA EXPERIENCE

Catholic Education: O'Dea High School is committed to developing our students into young men of character, faith, and service. Theology coursework, liturgies, retreats, community service, campus ministry, and character development are integral components of O'Dea's faith-filled education.

College Preparatory Academics: O'Dea High School is the only all-male Catholic college-preparatory high school in the Pacific Northwest. As an all-boys school, our faculty employs an approach to teaching tailored specifically to the way young men learn. Through Advanced Placement, Honors, College in the High School, and college-prep courses, O'Dea prepares each student to succeed at a post-secondary institution of their choice.

Diversity: Diversity has been a signature strength of O'Dea's student body since the school was founded in 1923. Our student body reflects the cultural, ethnic, and socio-economic diversity that exists in the greater Seattle region. This diversity is a fundamental part of our community.

Brotherhood: The O'Dea experience fosters unparalleled bonds of brotherhood among students. Our unique, all-male student body enriches these bonds through shared experiences, including participation in the House System, a program dedicated to developing leadership skills and connecting students with each other, their school, and the community. These bonds last well beyond graduation, spanning decades, lifetimes, and generations.

Tradition of winning, with honor: Athletic success is a longstanding tradition at O'Dea. With this tradition comes the responsibility to compete, with honor. Success is achieved with hard work and discipline, and is celebrated with sportsmanship and a selfless focus on the team. O'Dea athletes constantly strive to represent the school and community with pride and dignity.

Urban Campus: O'Dea's urban campus elevates the traditional high school experience through our location in a vibrant intersection of city life. O'Dea is located across the street from St. James Cathedral, between premier medical facilities, art museums, and college campuses. Our students are exposed to stimulating inner-city experiences that enrich their education.
