Academics & Counseling

Academic Honors

O'Dea High School recognizes the academic accomplishments of students after each semester. The student may earn a certificate for First Honors if their weighted GPA places him in the top 10% of his class for the semester and Second Honors if his weighted GPA places him in the 11%-20% of his class for the semester. O'Dea celebrates the comprehensive academic achievements of graduating seniors using the same criteria, however the student's cumulative GPA earned over eight semesters is the basis for the award.

Congratulations to the students who received Academic Honors for their outstanding academic achievements during the first semester of the 2018-19 school year.

Valedictorian and Salutatorian Selection

Each year, the Valedictorian and Salutatorian of the graduating class are selected by the Administrative Team, with input from the faculty and staff. These students have excelled in all areas of student life and involvement at O'Dea High School. The selection is not based solely on cumulative GPA but rather on a comprehensive review considering academics, service and integrity. Criteria for being chosen include academic excellence, school and community involvement and evidence of a strong moral character.

Student Life

Beards for Bros - Fighting Irish, Fighting Cancer

O'Dea's 5th annual Beards for Bros campaign, raising money to support adolescent medicine at Children's Hospital, is officially underway. Students have until February 22nd to raise money for the campaign, and students who raise at least $100 can grow a beard. From February 25th through March 29th, when we hold our closing Beards for Bros assembly which includes the official "beard judging" ceremony. Donations should be made through O'Dea's *Fighting Irish Fighting Cancer* gofundmebsite. Donors should specify which student's fundraising efforts they are supporting by putting the student's name in the "Name of student I am supporting" section. Any student raising a minimum of $100 by February 22nd is eligible to participate in beard growing!

Students do not have to raise $100 to participate! They can also simply donate towards a classmate's fundraising efforts, and/or they can purchase exclusive BAB merchandise! This year we have long-sleeved t-shirts, lanyards, and decals for sale. All proceeds go towards the *Fighting Irish Fighting Cancer* guild. The purchase of a BAB shirt earns a student **free relaxed dress every Friday in March** (he needs to wear the shirt to get relaxed dress). Let's get 100% participation from the student body!

Thank you to all students, families, alumni, faculty and staff for their support of this important campaign!
