On behalf of the O'Dea faculty, staff, and students I want to express my appreciation for your continued support of our athletic program.

Grounded in mission-driven principles of Character, Faith, and Service, for nearly a century the O'Dea experience has formed bonds of brotherhood. The O'Dea brotherhood is cultivated in the shared experiences of our unique all-male student body and celebrated throughout our academic, campus ministry, and athletic programs. These bonds last well beyond graduation, spanning decades, lifetimes, and generations.

I am extremely proud of the commitment displayed by our student-athletes participating in O'Dea's Cross-Country, Football, and Golf programs. Under the guidance of our dedicated coaches, each contest this season promises to generate a high level of excitement and sportsmanship associated with O'Dea's longstanding tradition of winning with honor.

Thank you for the role you play in supporting our student-athletes and for helping advance our shared mission of providing all O'Dea students with a quality Catholic, college-preparatory education in the spirit and tradition of the Essential Elements of an Edmund Rice Christian Brother Education.

MISSION STATEMENT

O'Dea is a Catholic high school whose mission is to educate young men and prepare them to be men of character, faith, and service.

PHILOSOPHY

O'Dea High School provides young men with a Catholic, college-preparatory education. In the spirit and tradition of the Essential Elements of an Edmund Rice Christian Brother Education, O'Dea's diverse, single-gender learning environment lays a rich foundation for the academic and social development of our students.

THE O'DEA EXPERIENCE

Catholic Education: O'Dea High School is committed to developing our students into young men of character, faith, and service. Theology coursework, liturgies, retreats, community service, campus ministry, and character development are integral components of O'Dea's faith-filled education.

College Preparatory Academics: O'Dea High School is the only all-male Catholic college-preparatory high school in the Pacific Northwest. As an all-boys school, our faculty employs an approach to teaching tailored specifically to the way young men learn. Through Advanced Placement, Honors, College in the High School, and college-prep courses, O'Dea prepares each student to succeed at a post-secondary institution of their choice.

Diversity: Diversity has been a signature strength of O'Dea's student body since the school was founded in 1923. Our student body reflects the cultural, ethnic, and socio-economic diversity that exists in the greater Seattle region. This diversity is a fundamental part of our community.

Brotherhood: The O'Dea experience fosters unparalleled bonds of brotherhood among students. Our unique, all-male student body enriches these bonds through shared experiences, including participation in the House System, a program dedicated to developing leadership skills and connecting students with each other, their school, and the community. These bonds last well beyond graduation, spanning decades, lifetimes, and generations.

Tradition of winning, with honor: Athletic success is a longstanding tradition at O'Dea. With this tradition comes the responsibility to compete, with honor. Success is achieved with hard work and discipline, and is celebrated with sportsmanship and a selfless focus on the team. O'Dea athletes constantly strive to represent the school and community with pride and dignity.

Urban Campus: O'Dea's urban campus elevates the traditional high school experience through our location in a vibrant intersection of city life. O'Dea is located across the street from St. James Cathedral, between premier medical facilities, art museums, and college campuses. Our students are exposed to stimulating inner-city experiences that enrich their education.

A MESSAGE FROM THE HEAD COACH

2018 SEASON PREVIEW

Welcome Fighting Irish Fans!

I would like to welcome you all to another exciting season of Irish Football. We have had a great offseason. Our strength and conditioning coach, Paxton Paynter, is making an impact on our program and was an important part of our success last season. The young men that participated in the summer program have made tremendous gains. I am so proud of their hard work and dedication and am excited to see their leadership in action.

We have a talented and committed group of coaches that our fans should be very excited about. Not only do our coaches have a lot of experience, we have a number of young, enthusiastic coaches, making this arguably the best coaching staff in the state of Washington. We will continue to develop these young men into leaders and challenge them to be the best they can be on and off the field. The future of our program looks bright; we are excited to take it to a new level.

At O'Dea High School, athletic success is a long-standing tradition. That success is achieved with hard work and discipline, and is celebrated with sportsmanship and a selfless focus on the team. We constantly strive to represent our school, and our community, with pride and dignity. The young men of O'Dea continue to amaze me and, like you, we are extremely proud of them and we are excited to watch them in action.

I am excited about the 2018 football season but I am even more excited to work with an outstanding group of young men in the classroom and on the field. O'Dea is a school with a rich tradition of winning, with honor, and I look forward to sharing with you our continued athletic successes for years to come. Thank you for your support; we simply wouldn't be where we are without you.

Live Jesus in our hearts, forever!

FOOTBALL POSITIONS

OFFENSE

QUARTERBACK (QB): The player who receives the ball from the center at the start of each play before either handing it to the running back, throwing it to a receiver, or running with it himself. The quarterback is usually the player in charge of running the offense on the field. He is also the guy that usually informs the offense of the play while in the huddle.

CENTER (C): The offensive lineman who hikes (or snaps) the ball to the quarterback at the start of each play. The center lines up in the middle of the offensive line, between the offensive guards.

GUARD (LG/RG): A member of the offensive line. There are two guards on every play, and they line up on either side of the offensive center.

OFFENSIVE TACKLE (LT/RT): A member of the offensive line. There are two tackles on every play, and they line up on the outside of the offensive guards.

TIGHT END (TE): An offensive player who serves as a receiver and also a blocker. The TE lines up beside the offensive tackle either to the right or to the left of the QB.

WIDE RECEIVER (WR): An offensive player who lines up on or near the line of scrimmage, but split to the outside. His primary job is to catch passes from the quarterback.

FULLBACK (FB): An offensive player who lines up in the offensive backfield and generally is responsible for run-blocking for the halfback and pass-blocking for the QB. Fullbacks are usually bigger than halfbacks, and also serve as short-yardage runners.

RUNNING BACK (RB): An offensive player who lines up in the backfield and generally is responsible for carrying the ball on run plays. A running back's primary role is to run with the football, he is also used as a receiver at times.

FOOTBALL POSITIONS

DEFENSE

CORNERBACK (CB): A defensive back who generally lines up on the outside of the formation and is usually assigned to cover a wide receiver.

SAFETY (SS/FS): A defensive back who lines up in the secondary between, but generally deeper than the cornerbacks. His primary duties include helping the cornerbacks in pass coverage. There are actually two safety positions; the free safety and strong safety.

DEFENSIVE END (DE): A defensive player who lines up at the end of the defensive line. The job of the defensive end is to contain the running back on running plays to the outside, and rush the quarterback on passing plays.

DEFENSIVE TACKLE (DT): A defensive player who lines up on the interior of the defensive line. The duties of a defensive tackle include stopping the running back on running plays, getting pressure up the middle on passing plays, and occupying blockers so the LB's can roam free.

NOSE TACKLE (NT): A defensive tackle who lines up across from the center. Also known as the nose guard, the primary responsibilities of the nose tackle are to stop the run and occupy the offensive lineman to keep them from blocking the linebackers.

LINEBACKER (LB): A defensive player who lines up behind the defensive linemen and in front of the defensive backfield. The linebackers are a team's second line of defense. Each team has two outside linebackers. In a 4-3 defense, teams have one inside linebacker, which is usually referred to as a middle linebacker. In a 3-4 defense teams have two inside linebackers.
