

Attention Juniors & Seniors:

These visits are open to all juniors and seniors. They offer a great opportunity for students to meet with representatives from colleges that come here from all over the United States. You must sign up for these visits in Naviance Student. In addition, you must have the teacher for the class that you will miss, sign a permission form. Both of these must be done no later than the end of school the day before the college visit. You then bring the signed form to the college visit. The most up to date list of college visits is in Naviance Student in the College section –Visits section. If you have any questions, see your counselor.
