O’Dea is a Catholic high school whose mission is to educate young men and prepare them to be men of character, faith and service.

OUR PHILOSOPHY
O’Dea High School provides young men with a Catholic, college-preparatory education. In the spirit and tradition of the Essential Elements of an Edmund Rice Christian Brother Education, O’Dea’s diverse, single-gender learning environment lays a rich foundation for the academic and social development of our students.

ALL BOYS
O’Dea High School, the only all-male Catholic college preparatory high school in the Pacific Northwest, is a unique and special place for young men. Our educators intentionally use teaching practices designed to support the way young men learn. Through Advanced Placement, Honors, College in the High School, and college prep courses, O’Dea prepares each student to succeed at a post-secondary institution of their choice. We combine the best traditional teaching practices with movement and competition in the classroom to engage our learners. These teaching strategies, along with newly designed classrooms with innovative educational technology, and the House System, provide our young men with an exceptional education and unparalleled bonds of Brotherhood that will last a lifetime.

CATHOLIC EDUCATION
O’Dea High School is committed to developing our students into young men of character, faith, and service. Theology coursework, liturgies, retreats, community service, campus ministry and character development are integral components of O’Dea’s faith-filled education.

COLLEGE PREPARATORY ACADEMICS
O’Dea High School is the only all-male Catholic college-preparatory high school in the Pacific Northwest. As an all-boys school, our faculty employs an approach to teaching tailored specifically to the way young men learn. Through Advanced Placement, Honors, College in the High School, and college-prep courses, O’Dea prepares each student to succeed at a post-secondary institution of their choice.

DIVERSITY
Diversity has been a signature strength of O’Dea’s student body since the school was founded in 1923. Our student body reflects the cultural, ethnic and socio-economic diversity that exists in the greater Seattle region. This diversity is a fundamental part of our community.

O’DEA MISSION

THE O’DEA MISSION

O’Dea provides a community built rich in spirit, bound to service, and lifelong brotherhood. It gave me tremendous discipline, developed me with professional character, and fueled a motivation to celebrate in the success of others more than that of myself. This has been the foundation of my coaching career and has provided me with amazing opportunities.”
THE HOUSE OBJECTIVE
At the core of O’Dea’s culture is the House System, dedicated to developing leadership skills and connecting students with each other, their school, and the community. O’Dea’s motto “Four Houses, One Brotherhood” refers to each student’s membership within one of four Houses; these Houses come together to form one O’Dea Brotherhood. Upon entering O’Dea High School, students are placed with a Mentor Teacher from the Faculty/Staff. These groups meet each morning and are together throughout their four years, encouraging interpersonal relationships amongst peers from every grade level and their dedicated Mentor Teacher. The academic, emotional, and social support throughout the House System provides students with the necessary tools to become young men of character, faith, and service.

STUDENT LEADERSHIP
The House System at O’Dea offers a multitude of opportunities for authentic student leadership. Students from every grade level fill the 50 leadership positions that support the House, including School Captains, Mentor Group Captains, and School Chaplains. Together, these students collaborate with their House Dean, House Director, and Mentor Teacher to engage the student body in social, spiritual, and competitive events.

HOUSE SYSTEM
O’Dea offers a multitude of opportunities for authentic student leadership and personal/social development.

IRISH CUP
O’Dea’s Irish Cup is awarded each year to the House that demonstrates excellence in five areas: Academics, Service, Spirit, Citizenship, and House Games. The goal of the Irish Cup is to promote healthy competition that encourages academic success, boosts spirit, and enhances school pride.
