Main Office

Main Office CLOSED - Friday, August 2nd

The main office will be closed on Friday, August 2nd as there will be power outages during the day related to construction activities. We will re-open on Monday, August 5th.

Welcome to our new Administrative Assistant

We would like to introduce you to [Jennifer Kerr](#), our new Administrative Assistant who will be working at the front desk in the Main Office. Jennifer's first day was this Monday and she will be your first point of contact for general questions on the phone, via email, or when you come to the school. We know you will join us in welcoming her to O'Dea!

Magnus Forms Due

Student medical records have now moved to an online database called Magnus Health SMR (Student Medical Record) or "Magnus". Each student-athlete must complete these forms in order to participate in sports at O'Dea High School. With the fall athletic season quickly approaching, **all participation forms must be completed no later than August 5, 2019.**

You can access your Magnus account through your [PowerSchool Parent Portal](#). The application button is in the upper right tool bar and is titled "Magnus Health."

If you are have difficulty navigating the Magnus system or entering data online, please contact customer support at Magnus by phone at [877.461.6831](#) or email [HERE](#). All other questions may be directed to Administrative Assistant, [Jennifer Kerr](#).
