CHARACTER. FAITH. SERVICE.

O'DEA IS A CATHOLIC HIGH SCHOOL WHOSE MISSION IS TO EDUCATE YOUNG MEN AND PREPARE THEM TO BE MEN OF CHARACTER, FAITH AND SERVICE.

CATHOLIC EDUCATION

At the core of our foundation is a faith-based Catholic education. Theology coursework, liturgies, retreats, community service, campus ministry and character development are integral components of an O'Dea education.

COLLEGE PREPARATORY ACADEMICS

O'Dea High School is the only all-male Catholic college-preparatory high school in the Pacific Northwest. As an all-boys school, our faculty employs an approach to teaching tailored specifically to the way young men learn. Through Advanced Placement, Honors, College in the High School, and college-prep courses, O'Dea prepares each student to succeed at a post-secondary institution of their choice.

DIVERSITY

Diversity has been a signature strength of O'Dea's student body since the school was founded in 1923. Our student body reflects the cultural, ethnic and socio-economic diversity that exists in the greater Seattle region. This diversity is a fundamental part of our community.

BROTHERHOOD

The O'Dea experience fosters unparalleled bonds of brotherhood among students. Our student body enriches these bonds through shared experiences, including participation in the House System, a program dedicated to developing leadership skills and connecting students with each other, their school and the community. These bonds last well beyond graduation, spanning decades, lifetimes, and generations.

TRADITION OF WINNING, WITH HONOR

Athletic success is a longstanding tradition at O'Dea. With this tradition comes the responsibility to compete, with honor. Success is achieved with hard work and discipline, and is celebrated with sportsmanship and a selfless focus on the team. O'Dea student athletes constantly strive to represent the school and community with pride and dignity.

URBAN CAMPUS

O'Dea's urban campus elevates the traditional high school experience through our location in a vibrant intersection of city life. O'Dea is located across the street from St. James Cathedral, between premier medical facilities, art museums, and college campuses. Our students are exposed to stimulating inner-city experiences that enrich their education.

OUR CAMPUS

HOUSE SYSTEM

FOUR HOUSES, ONE BROTHERHOOD

THE HOUSE OBJECTIVE

At the core of O'Dea's culture is the House System, dedicated to developing leadership skills and connecting students with each other, their school, and the community. Upon entering O'Dea High School, students are placed with a Mentor Teacher from the Faculty/Staff. These groups meet each morning and are together throughout their four years, encouraging interpersonal relationships amongst peers from every grade level and their dedicated Mentor Teacher.

STUDENT LEADERSHIP

The House System at O'Dea offers a multitude of opportunities for authentic student leadership. Students from every grade level fill the 50 leadership positions that support the House, including School Captains, Mentor Group Captains, and School Chaplains. Together, these students collaborate with their House Dean, House Director, and Mentor Teacher to engage the student body in social, spiritual, and competitive events.

CAMPUS MINISTRY

In line with the vision of Blessed Edmund Rice, our goal is to make available a truly Christian education for all those who desire it.

As a Catholic high school, we aspire to meet the needs of every single student in the building whether they

were raised in the Catholic faith or those who have no faith background whatsoever. We strive to meet every student where they are in their faith journey to ensure we are welcoming them into a faith community that is diverse and help them grow as young men of character, faith, and service.

LITURGIES

The celebration of liturgy is a special way in which our community connects with God. Our liturgies are the traditional center piece of the O'Dea experience where we come together to partake in the Eucharist and to connect with our community and God.

Students can get actively involved in liturgies through the Campus Ministry program serving as Altar Servers, Eucharistic Ministers of Holy Communion, and Lectors. Liturgies take place in St. James Cathedral across the street.

CHRISTIAN SERVICE LEARNING

The objective of Christian Service Learning at O'Dea High School is to connect classroom curriculum with community issues and needs. Through preparation, service, and reflection, we inspire our students to feel a sense of responsibility and compassion for those who are vulnerable, and put our faith into action. All students are required to complete a certain number of service hours each year towards graduation.

O'Dea partners with the following organizations providing service opportunities for our students:

- Northwest Harvest
- Providence Regina House
- St. James Cathedral Kitchen & more!

Additionally, the House System will sponsor numerous service projects off-campus each semester. These projects are student-designed and centered around compassion and the needs of the specific organization.

RETREATS

Retreats are grounded in our inclusive Catholic community. Through retreats, we seek to welcome every student into an active life full of character, faith, and service. Students of all grade levels have an opportunity to attend a retreat supported by faculty and staff of O'Dea from all disciplines and backgrounds. Retreats offer students an opportunity to grow not only in their faith and relationship with God, but in their relationships with their fellow classmates.

STUDENT LIFE

An active and involved student body forms the foundation of student life at O'Dea. Participation in school sponsored co-curricular activities fosters school spirit and enriches the O'Dea experience.
