# THE O'DEA CENTENNIAL

As we approach 2023, we are excited to plan for our 100-year anniversary of educating young men in our community. We are also pleased to announce John and Helen Suk, parents of Matthew '19 and Jack '23 will be chairing a committee to help us celebrate this momentous occasion.

We encourage you to share your thoughts and ideas for the celebration, send us stories about your O'Dea experience, and share meaningful photos. Please email us at [ODEaCentennial@odea.org](mailto:ODEaCentennial@odea.org). **Go Irish!**

## MESSAGE FROM THE PRINCIPAL

Dear O'Dea Community,

Greetings from O'Dea, where we have settled into our Fall Semester with students, faculty, and staff back on campus to attend classes, participate in co-curricular programming, and celebrate the O'Dea Brotherhood together.

As we experience firsthand the youthful energy and enthusiasm for learning that our students bring, I am reminded of O'Dea's significance in educating young men of Character, Faith, and Service. While lunch supervision has never been a favorite task, I admit that watching students enjoying each other's company has served as a subtle reminder of the value of simply being together in person.

With an eye toward O'Dea's upcoming centennial celebration, I look forward to opportunities to commemorate the school's founding by St. James Cathedral, the many years of Edmund Rice Christian Brother service, and our proud alumni's numerous and significant accomplishments. I also look forward to acknowledging current school programming, and recognizing our outstanding faculty and staff members, and the proud students attending O'Dea today. Equally important will be appropriately articulating the importance and significance of our long-term vision for O'Dea, which will prepare us for our next 100 years.

I am confident this edition of the Irish Review will inform and celebrate our collective appreciation for all we continue to accomplish as a school community. We have much to be grateful for as we begin plans to honor our past achievements and envision O'Dea's future. I remain humbled by the opportunity to serve as principal as we advance our shared mission of providing a quality Catholic education to the young men of O'Dea. Thank you for your continued support. I wish each of you continued blessings.

Live, Jesus, In our Hearts, Forever!

Peace and Roll Irish,

# PREPARING O'DEA FOR THE FUTURE

In December 2020, after a considerable amount of work by our school board, O'Dea High School significantly changed its corporate structure. We became our own corporation, adopted new bylaws, and transitioned from having an advisory school board to a fiduciary school board. While these changes do not change our relationship with the Archdiocese of Seattle, they represent a notable shift for O'Dea.

This process was initiated by the Archdiocese in April 2019, with the goal of aligning the corporate structures of all the Level 1 Archdiocesan high schools, which includes O'Dea High School. Under this structure, the Archbishop retains ultimate control of the high schools, but our assets are more protected than they were within our former structure.

The most notable aspect of O'Dea being its own corporation is that our school board, which has most recently operated in an advisory capacity, has now accepted the responsibilities of being a fiduciary board.

**What does this mean?** The word fiduciary means trust, and our board is responsible to our community for

entrusting that O'Dea's financial, educational, community, and spiritual aspects are cared for. Their work requires them to oversee our vision, strategies, and policies. Whereas our board used to make recommendations on policies to the school administration, the board now approves policies for the administration to enact.

We have been blessed at O'Dea with a group of intelligent and dedicated board members. They volunteer their time and expertise to help ensure that O'Dea operates at the highest level now and into the future. We appreciate each and every one of them and thank them for the leadership they provide, which benefits the entire O'Dea community.

## WELCOME NEW BOARD MEMBERS

We are pleased to welcome the following new School Board members as of October, 2021: Marc Bailly '92, Helen Suk (parent of Matthew '19 and Jack '23) and Barbara Swann (parent of Johnny '17).

# PRINCIPAL JIM WALKER – CELEBRATING 30 YEARS AT O'DEA

When Jim Walker walks through the hallways at O'Dea High School, you can see the pure joy he experiences as he interacts with the students. This joy comes from his love for education and commitment to the young people in our community. Mr. Walker started his career at O'Dea in 1991. Since then, he has been a teacher, counselor, freshman football coach, assistant principal, and principal, a position he has held since 2013. As the first lay principal at O'Dea, Mr. Walker is committed to maintaining the strong Catholic identity of O'Dea, while achieving excellence in academics, co-curricular activities, and the bonds of brotherhood among our students. With deep roots in our past, we are confident Mr. Walker will move us forward to a successful future.

"As a parent and school board member I have been provided a wonderful front row seat to witness Jim's consistent and focused leadership. Jim fosters a school community where our students flourish, our faculty is devoted to the mission of O'Dea, and our campus is more beautiful and functional than ever. I also observe daily the rapid pace of change in our First Hill neighborhood and, like many, wonder what the O'Dea experience and campus will look like as we embark upon our next 100 years. I can think of none better than Jim Walker to lead O'Dea High School into that next chapter."

-Andy Read '84, Vice-Chair, O'Dea School Board

"Mr. Walker was my guidance counselor and I distinctly remember meeting in his office to discuss my SAT scores. He looked at me and said that I had a chance to go to Harvard. I took the ferry from Bremerton to O'Dea. I had never dared to consider Harvard before that moment. Twenty plus years later, I know that my Harvard degree with honors, my three varsity letters from Harvard football, my UW Law Degree, and countless additional blessings would not have occurred had Mr. Walker not helped me to dream big that day in his office."

-Pat Lavin '99

"Congratulations Mr. Walker on 30 amazing years of service to the O'Dea community! Jim's impact on me and so many young men who came through O'Dea cannot be measured in a year or even 4 years. His guidance, support, and tough love as my counselor, math teacher, football coach and friend helped to provide opportunities and pathways for me and so many O'Dea brothers to feel at home at O'Dea and to go on to live successful lives. The family-like culture, the brotherhood, and the connection I and many others feel towards O'Dea; Jim was instrumental in creating that environment. The characteristics of an O'Dea man; confident, dedicated, hardworking, man of service & integrity, Jim Walker held himself to that standard and guided so many young men who passed through the halls of O'Dea to develop those same characteristics. Thank you Jim, for all you have done in my life and those in the O'Dea brotherhood."

-Eddie Lincoln 2000

"Recently I reread the announcement of your appointment as the new O'Dea High School Principal, and it was mentioned your career started in 1991. That was 30 years ago! That length of outstanding service deserves recognition. Now seems the time to send you this congratulatory note recognizing and thanking you for your many extraordinary contributions to O'Dea. May God bless you, Jim, as richly as the thousands of young men He has blessed through you!"

-Roy Rohn '45

"Although Mr. Walker is an O'Dea institution, he first arrived at O'Dea my sophomore year. I never miss an opportunity to remind him that his legacy is one year shorter than mine. A gentleman and a scholar in the truest sense of the phrase, his talents are varied, yet his O'Dea pursuit is singular: for the better making of men. To this day I apply his words on formal events, 'No matter what everyone else does, no matter how uncomfortable you are, a gentleman never removes his suit jacket.' I am a better man for a multitude of reasons and Jim Walker and my O'Dea education are high on that list."

-Roderick Thompson '94

### EMPOWERING BLACK YOUTH

Last February, in partnership with Washington Therapy Fund Foundation and The Root of Our Youth, KCTS 9 held a virtual event entitled, "Well Beings: Centering the Mental Health of Black Youth." The event is part of a virtual Well Beings Initiative "tour" that features young leaders across the U.S. who are working to destigmatize mental illness in their communities.

**Sir Keenan Hart '24**, who participates in the Glover Empower Mentoring (GEM) Program, shared his experience on the panel. Hart continues to work alongside mentors and providers to achieve more mental health resources for Black youth as well as more help with navigating the services that currently exist.

### HOUSE UNITY DAY

After semesters of virtual e-school and hybrid learning, we were thrilled to bring all of our students together last spring at Genesee Park for a culminating House Unity Day full of games, fun, food, and brotherhood!

# CHARACTER. FAITH. SERVICE.

One of the most important virtues young men learn at O’Dea, and one that we embrace as an institution, is that we are better together. O’Dea Campus Ministry is embracing the “better together” tradition by transitioning to a team approach this academic year.

The Campus Ministry team is guided by theology teachers Mr. Jason Odem and Mr. Curtis Leighton. In addition to teaching in the Theology Department, they work closely with the school and house chaplains to support the spiritual growth of the O’Dea community. As Jesus calls us to all be ministers, the Campus Ministry team is a blend of many different people – faculty, staff, and student leaders – who bring their individual gifts and passion together for our community.

Despite the challenging public health situation, we are committed to offering three Encounter retreats, regular Mass and prayer opportunities, service opportunities, and a variety of points of contact for all students seeking to cultivate an interior life that is reflected in their actions. Campus Ministry is for everyone in our community regardless of background, and it starts with being welcoming, intentional, and visible.

As a Catholic school in the tradition of the Edmund Rice Christian Brothers, our mission is to accompany every young man in the building on their faith journey by meeting them where they are as a unique child of a God who loves them unconditionally.

For Catholic students, we provide a wide range of sacramental and non-sacramental faith-building opportunities to honor baptismal vows and help young men grow in their relationship with Jesus Christ and the Catholic Faith.

For all our students, we offer a wholehearted welcome into a community of faith grounded in the love of Jesus Christ. At O’Dea, all students are respected and afforded practical opportunities to grow in their own faith tradition and to develop a healthy interior life grounded in Gospel values. O’Dea Campus Ministry welcomes our students to a Brotherhood that transcends differences and will accompany them on their journey at O’Dea and beyond.

## IRISH PRAYER CIRCLE

As a community of faith, we are called to find solace in prayer. Beginning Fall 2021, O’Dea Campus Ministry has held a morning prayer group open to students, parents, faculty, staff, and alumni in the St. James Chapel. The vision is to create a space for members of the O’Dea community to come together in prayer, regardless of religious background or experience. We will be exploring a different type of prayer every two weeks, with the focus being on quiet individual prayer in a group setting. All members of our O’Dea community are invited and welcome! Visit the O’Dea website to see future dates.

## A PLACE FOR ALL TO BE FAITHFUL

Regardless of your religious background, O’Dea Campus Ministry welcomes you to a Brotherhood that transcends differences and is here to accompany you on your journey at O’Dea and beyond.

**Johannes Werede '23 – Eritrean Orthodox Tewahedo Church**

“My parents instilled faith as a very important part of my life since I was young. My theology classes have helped me deepen my understanding and even though my religion is not Catholic, being able to think about it has helped me understand more about my own beliefs and those of others.”

**Tylen Bell '22 – Catholic**

“While being at O’Dea, I have met people with similar beliefs that have helped me grow my own faith and Catholic identity. I’ve also met people with different backgrounds that have helped challenge and affirm my own stances and beliefs.”

**Dawit Mulat-Davis '22 – Apostolic Pentecostal**

“I grew up in the church and am very religious, and faith is the number one thing in my life. Going to a school with likeminded people who are also strong in their faith is great. I don’t think I could go to any other school and get the same feeling I get here.”

**Gino Morella '22 – Catholic**

“O’Dea has helped me to grow in my faith in so many ways. My teachers encourage me to express my beliefs and thoughts and help me grow my knowledge about the church and my spiritual life. Growing up in both the church and Catholic grade schools, I have always been learning about faith, but O’Dea has helped me dive deeper with my relationship with God.”

## WALL OF HONOR 2021

Congratulations to the 2021 Wall of Honor Inductees: **Coach Mike Crotty, Gregory Brashear '64, Mike Doyle '97, and Jamelle McMillan 2007. A special thank you to our Wall of Honor Chairs Ryan Hough '95 and Nick Stefonick '95.**

What a special evening honoring our inductees and raising money to support higher stipends for our out-of-building coaches. These coaches are essential to the success of our Athletic program. As Coach Kohler says, "The O'Dea Athletic Department can't function without them."

## JOHN JOSEPH CANNON '32 SCHOLARSHIP FUND

John Cannon '32 was born in 1913 to Shane Ui'Canannain (also known as John Cannon), a Gaelic speaking laborer from County Donegal, and Catherine Early, a native of Pittsburgh of Irish descent. In 1920 Shane and Catherine both became ill during the flu pandemic. Catherine lost her life while Shane survived after a lengthy hospital stay. John and his brother Willy '34 spent the next 7-8 years being cared for by Shane, extended family members, and a couple of short stays at a local orphanage. Eventually they settled with their father in boarding houses close to O'Dea, where they attended high school. John's children rarely heard their dad or uncle complain about this time in their lives as they grew up in uncertain surroundings without their mother.

John's children recognize that family and the Catholic community played a vital role for the Cannon brothers during their time in need. Because of this, they all contributed to form a scholarship in his name. Their wish is for it to support a student in financial need at O'Dea, and in particular, a student with a single parent.

This scholarship is particularly meaningful this year as there are so many people who have lost loved ones or suffered due to the current pandemic. Thank you to the Cannon family for helping O'Dea community members in need.

## GIVE GOLD DAY: NOVEMBER 30, 2021

Give Gold 2021 marks O'Dea's 5th Annual Day of Giving! Give GOLD is celebrated on Giving Tuesday, a global day of generosity for your favorite organizations. We asked some of our O'Dea supporters why they give on Give GOLD Day:

"We donate in order to do our part in ensuring the O'Dea experience is accessible to a community of students and families that may not be as fortunate as we are in various means; we love to help others, and the experience reminds us that we have so much to be thankful for. O'Dea gave so much to us; community, love, support, and an amazing launching pad for our son."  
-Teresa & Jon Muench, Parents of Henry '20

"We donate to O'Dea High School on Give GOLD Day because we want to support other students to have the same amazing opportunities our sons experienced."  
-Maureen (School Board Member) and Peter Kures, parents of Andrew '13, Alexander '14, and Adam '17

"O'Dea is a special place unlike any other high school, so donating to O'Dea means more to us than a monetary donation, it's done with the intention of making a difference in the education and experience at O'Dea"  
-Timothy & Mitzi Fant, Parents of Aidan '17 & Aaron '18

"I wouldn't be in the position that I am in life spiritually, personally, and financially if it were not for many of the things I was taught and instilled in me by the faculty, staff, coaches and fellow classmates of O'Dea. I am proud to be a part of this brotherhood and family as I am so happy to see the growth and development that the O'Dea institution has made in the programs and approach for the future generations of young men."  
-Nick Andrews '99

Dear O'Dea Community,

We are pleased to share with you the Annual Report, which covers financial information for our fiscal year July 1, 2020 to June 30, 2021. This report gives us the opportunity to reflect on this unprecedented year, while also acknowledging our exciting future.

Last year's revenue was strong due to a number of factors. We had more than 500 young men enrolled at O'Dea. This was an exceptionally high number as our faculty continued to provide excellent teaching in both remote and hybrid models throughout the school year. Additionally, donations from our community grew at an incredible pace, with contributions to the O'Dea Fund alone increasing by 33% to a record \$872,000. We are so blessed by all of you who responded so positively to Give Gold, our annual day of giving, and the other virtual events we conducted last year. Our revenue was further supported by strong investment gains and support from the government related to the COVID-19 pandemic.

Regarding expenses, the most critical component to note is the increase of need based financial aid from \$1.2 million in FY 2020 to \$1.6 million in FY 2021. This was due to an increase in the number of families applying for aid for the first time, and also an increase in the number of families needing higher levels of aid. We expect this increased level of aid to be a new normal for us, which we will continue to fund as we endeavor to make a Catholic education at O'Dea accessible to students of all socio-economic backgrounds.

We are fortunate to have ended this past year in a solid financial position, which enables us to move forward with confidence. We anticipate undertaking significant capital projects to ensure the continued enrichment of our students' experiences and look forward to sharing more information about them in the future. In the meantime, we are grateful to be financially sound as we prepare O'Dea High School for its next 100 years.

Thank you for your continued support and unwavering faith in the value and importance of a Catholic education at O'Dea High School.

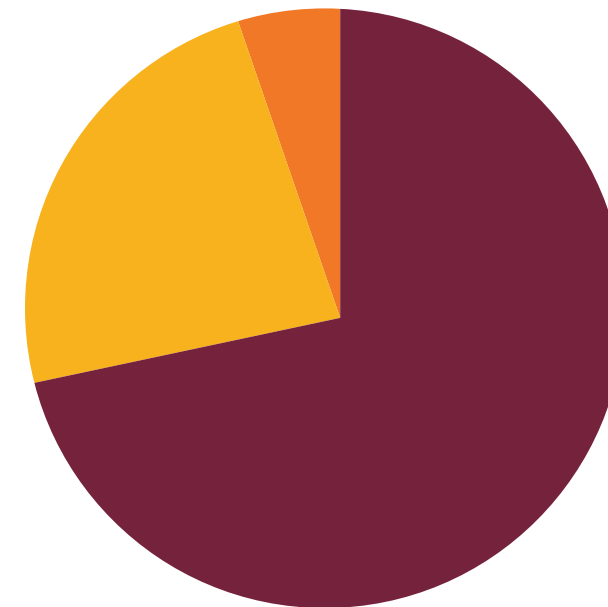

Sincerely,

*Laura Weinand*

Laura Weinand  
Chief Financial Officer

**“O’Dea has always given me the support that I need to overcome the difficulties of high school. The teachers are always involved and truly care about their students. The brotherhood built within O’Dea is timeless, and is a support system with your peers and connections that lasts a lifetime.”**

**“The decision to attend O’Dea High School was easy. Learning in an environment filled with likeminded brothers, as well as providing me opportunities to challenge myself in character, faith, and service was like no other. I know once I leave O’Dea, I will have learned how to carry myself as a true O’Dea Gentleman.”**

**– Ethan Linsay '23**

“My time at O’Dea has been one of immense kinship. Kinship permeates all aspects of O’Dea in athletics, academics, and clubs and is truly a unique element of our school.”

“O’Dea high school has helped me, and thousands of other gentlemen, grow their faith, character, and mind. It gives people opportunities to find what they love and to overcome any challenges that arise along the way. O’Dea helps prepare students for the life that they have ahead of them.”
