WELCOME TO THE BROTHERHOOD.

BROTHERHOOD is a 100-year legacy.

Welcome to O'Dea. As the only all-boys high school in the Pacific Northwest, O'Dea provides a unique experience for young men, both inside and outside the classroom. Come to an Open House, attend an admission or athletic event, and join us on social media. You will love to see the Brotherhood in action.

“

I wanted to go to a school where the teachers care about you as a person outside of just your grades. I have made some of the best friendships in my life at O'Dea and I know they will last long after graduation. Don't be scared to go out of your comfort zone! Attending O'Dea was the best choice of my life.

My favorite thing at O'Dea is the House System. Our school is split into 4 smaller groups and we have community and competition all year long. The House System promotes school spirit in the building and at athletic events. There isn't anything as impactful as the House System to O'Dea!

“

The O'Dea Brotherhood is being connected. I didn't know anyone coming into O'Dea but the transition of meeting people was so easy. Being able to connect with people from all over the area and all different backgrounds is amazing.
